PETITION TO REVIVE
AND
REQUEST TO REMOVE ABANDONED STATUS OF APPLICATION

Sir:

This is further to a Response To Notice of Abandonment filed July 17, 2006 which was submitted in response to a Notice of Abandonment dated June 21, 2006.

In the response filed June 17, 2006, it was pointed out that the Notice of Abandonment mailed June 21, 2006 had issued in error since a response to an outstanding matter, namely Notice Regarding Drawings dated March 2, 2006 had been timely submitted on March 22, 2006.

Applicant notes there has been no reply to Applicant's response filed July 17, 2006. However, since the subject application is apparently still abandoned, Applicant hereby Petitions to revive the same. In support of this Petition, the Notice Regarding Drawings mailed March 2, 2006 set an unextendable deadline of two months from the mailing date of the notice, i.e., until May 2, 2006 to submit corrected drawings. As noted in the previously filed response to Notice of Abandonment, the corrected drawings were submitted on March 22, 2006. Specifically, the drawings were mailed on March 22, 2006 with a certificate of mailing.

In support of this petition, enclosed are copies of the response mailed March 22, 2006, the response to Notice of Abandonment mailed July 17, 2006, and Statement Under 37 CFR 1.8(b)(3) confirming that the Response to Notice Regarding Drawings was in fact timely submitted on March 22, 2006.

Please charge the required Petition Fee to Deposit Account 02-2666. Additionally, Applicant hereby requests refund of the Petition Fee since a response had been timely filed, a response to Notice of Abandonment timely filed, and this Petition and fee are due solely to Patent and Trademark Office error.

Respectfully submitted,
